General Course/Event Terms and Conditions

All participants take part in the courses/events conducted by us entirely at their own risk.

The courses/events advertised by us will take place even in adverse weather conditions. Should any of the waters designated for the course be unsuitable for fishing at the time of the course, we reserve the right to move the course to another fishing location. However, should all of our fishing waters be unsuitable for fishing and no alternative waters be available, participants will receive a voucher entitling them to one or more day permits, which may be redeemed at a later date for fishing permits on the Weiße Traun or Deutsche Traun rivers.

In the event of illness of the course/event instructor, participants will have the option of accepting a replacement instructor or withdrawing from the course. If a participant withdraws due to the instructor's illness, any course fee already paid will be refunded in full (100%). However, any hotel costs incurred must be borne by the participant. We will not cover any other costs arising from the cancellation of the course (e.g. travel expenses to and from the course/event).
Participants must hold a valid, government-issued fishing licence.

If a participant fails to attend without having given prior written notice (which must be received by us no later than 5 days before the start of the course), we regret that we will have to charge the full course fee. Please also note that hotel rooms which are not cancelled, or are cancelled too late, may incur cancellation charges.

Cancellation Fees for Course Cancellations

- Up to 90 days before the start of the course/event: No cancellation fee.
- Up to 45 days before the start of the course/event: EUR 50 (this amount will be credited towards another course booked with us within one year).
